Dear Members,

I am happy to report that Old Waverly and Mossy Oak closed out 2023 very successfully!

We are looking forward to 2024! We have planned a lot of nice events for your enjoyment. Please follow Rosemary's Constant Contact Emails along with our Newsletters to stay informed of all the Club events!

During our closing period in January, we were able to accomplish a lot of improvements such as, carpet cleaning, upholstery cleaning, painting in the kitchen, ceiling tile work in the kitchen, complete cleaning and sanitizing all kitchen equipment, par stocks of all food and perishables, yearly inventory of china, glassware, silverware and more!

We have planned a fabulous Valentine's Day Dinner with Chef John's special menu! Please don't miss it and make your reservations early!

Also, we are planning a very nice Wild Game dinner and look forward to working with Mr. Ishee, Mr. Hutchins and other members to make this a special event!

Please read about our legendary Cellarmaster, Tom Storey in our next newsletter. He has done so much for the Club and he has tremendous wine knowledge that he is always happy to share with us.

Check out his Wine of the Month for February, ZOLO!

I am looking forward to a great year with you and please let me know if I or my staff can be of any assistance.

Until Then Respectfully,

For Wine of the Month for February 2024 ...

I have selected ZOLO MALBEC 2020 from the MENDOZA region in the foothills of the Andes Mountains of Argentina. A first for Old Waverly to feature a MALBEC wine from this highly reputed wine region, uniquely suited for this vinifera wine grape. MALBEC historically is one of the 5 vinifera grapes allowed in for the wines in the fabulous Bordeaux region of France and is used as a blending grape to add some color, structure, and fruit. However, in this region of Argentina the Malbec grape achieves great flavor and character on its own. An "Estate" wine, ZOLO is a winery owned for over 100 years by the prominent Carter family producing very fine Malbec wines. When selecting wine from Argentina it is a good thing to look for the region name "MENDOZA" on the label as you would region names like Napa in California. This selection of ZOLO MALBEC presents a pleasing nose and flavors of rich dark fruits, some cherry and strawberry nuances, concluding with chocolate and vanilla finish. Rich and full bodied, it should be at its best with Chef John's New York Strip, Ribeye, any grilled and roasted meats, especially BBQ pork and beef, and wonderful with roasted beef roast and stews. My good friend "Antonio", says "GREAT with PIZZA!!" I am going to try it with spaghetti and meat sauce too. TRY A BOTTLE IN FEBRUARY/\$30
